Press Release
FOR IMMEDIATE RELEASE
March 30, 2020

Mountain View Seniors' Housing Foundation is pleased to announce the Election of Ralene McCulloch as the new President.

Mountain View Seniors' Housing Foundation is pleased to announce the election of Ralene McCulloch as the Foundation's new President. Ralene was elected at our most recent Annual General Meeting. Ralene is a resident of Mountain View County and has represented the Foundation in all municipalities within the County, providing excellent leadership in various roles for the past decade.

The Foundation raises funds on behalf of MVSH for furniture and equipment, since MVSH as a not-for-profit organization does not receive any grants or funding for this purpose. The Foundation hosts several annual fund-raising events including the 10th Annual Golf Classic to be held at Olds Golf Course on Thursday, September 17, 2020 and the 5th Annual Powered by the People Gala postponed this year because of the COVID-19 Pandemic until Springtime 2021. The Foundation is a registered charity and works with local community groups to raise funds for seniors at MVSH Lodges and Housing, they work on planned giving and also capital campaigns for furniture and equipment when there is a MVSH capital project.

"Our Foundation Board wishes to thank our Past-President Paul Gustafson for his leadership over his full terms with the Foundation. Our Foundation has grown and is well positioned for continuing to support Seniors in all of Mountain View County. We also wish to thank Peggy Good for fulfilling her full terms as Director on the Foundation Board. Both of these individuals have worked tirelessly in support of our Foundation success!" says McCulloch.
